

MBP Course Credit Rules

If you are planning on using your experience with the MBP to gain college credit, the MBP requires an agreement between the MBP, you and, if necessary, your institution prior to receiving your deposit.

Your spot in the program will not be retained until the agreement is signed, even if the non-refundable deposit has been received by MBP. If the request is not made prior to paying the deposit, the MBP cannot provide a refund of your deposit if we are unable to fulfill your request.

- Blogging activities and sharing of media will strictly adhere to the MBP’s communication and photography policies as outlined within the Volunteer Handbook. In addition, media shared with any institution needs to be sent ahead of time to Genetics (genetics@omahazoo.com) for approval.
- In the event an agreement necessitates an MBP supervisor, MBP will assign the supervisor based on the communication requirements of the affiliated institution’s conditions.
- If you require an independent project, MBP needs project details two months prior to your trip to Madagascar. All data collected for this project must be approved by Genetics before submission to any other institution or individual. The duties required as a volunteer of the MBP come first and the volunteer will abide by all stipulations outlined in the handbook.
- You are aware that during your duration with MBP you will have access to data and confidential information concerning resources, finances, volunteers and employees. There will be no unauthorized sharing or distribution of this information with anyone outside the MBP organization unless specified by the volunteer reporting requirements.

I understand that it is my responsibility to protect sensitive organizational information throughout and after my term as a volunteer. I understand that any unauthorized disclosure or use of data or information, physically or electronically, will be subject to disciplinary action. These actions may include the termination of my participation as a volunteer and/or further action according to applicable MBP policies and procedures.
